HAPPY
New Year's

As we say goodbye to 2023, it's a moment to look back on the significant highlights that shaped Fresh Start Surgical Gifts. These milestones were achievable thanks to the tremendous support of our donors, dedicated Fresh Start Staff, Board Members, and committed volunteers. Their efforts have been instrumental in advancing our vision and mission.

Fresh Start Events

Fresh Start achieved monumental success through our annual fundraising events. The Celebrity Golf Classics, hosted by Jermaine Dye and Alfonso Ribeiro, and The 32nd annual Butterfly Ball were impactful nights that furthered Fresh Start's mission to change children's lives through comprehensive medical care. Resource Partnerships & Outreach

In 2023, we expanded our outreach partnerships to enhance our ability to serve children in our local community and around the globe.

We extend our special thanks to:

Community Partnerships

In 2023, we joined forces with several businesses in our community to help raise awareness and provide the opportunity to donate and make a difference through Fresh Start. **A special shout-out and heartfelt thanks to all our new community partners for their generous support!**

Success with Partner Hospitals

Continued support from our partnered hospitals is paramount to the success of our mission. We extend our deepest gratitude to Rady Children's Hospital in San Diego, Comer Children's Hospital in Chicago, and University Health in San Antonio. 2023 marked a significant milestone with the inaugural Surgery Weekend at University Health. Additionally, a special thank you goes to Sanford Health and Hospital Metropolitano in Costa Rica for their collaboration in expanding our outreach globally.

We extend heartfelt gratitude to all who contributed in 2023

Thank you!
